

## Information For The First Application Form

1. Business name as shown on your business registration or DBA
2. Business address
3. Business Owner's full name
4. Primary license type (businesses must be licensed in accordance with state and local laws) if your state doesn't require a license to provide your services just write "not required"
5. License expiration date (if required)
6. License number (if required)
7. A copy of your state-issued business registration document, showing the legal name of your business. If you do not have a copy of the document itself, you may submit a screenshot containing the full details from your state's online business registry.

## Visual verification will be requested by email

### Brand

1. A Branded receipt you would provide to a customer. A business address must be on the invoice, along with your business name, and contact information. If you're a Service Area Business, you may use a P.O. box as long as the business address is on the invoice.
2. Business cards front
3. Business cards back

### Vehicle

1. Image of your vehicle registration or registration sticker/receipt. Please note: only a registration image will be accepted your vehicle title is not a substitute for registration. The vehicle needs to be registered with the business and in the same state
2. Left side of your vehicle with branded stickers
3. Right side of your vehicle with branded stickers
4. Rear side of your vehicle (with license plate in view)
5. Front of your vehicle
6. Just your license plate
